Phase 3: Firecrawl Execution Status

URL Type	URL	Status	Results	Notes
BIA Directory	Oakville Downtown BIA	■	Partial	Structure extracted
JavaScript-based, individual listings need manual extraction	Chamber Directory	■	Partial	Structure extracted
JavaScript-based, 1046+ organizations, needs manual extraction	BIA Directory	■	Partial	Structure extracted
Downtown Milton BIA	■	Partial	Structure extracted	Directory structure found, individual listings need extraction
Market Directory	Oakville Farmers Market	■	Complete	40+ vendors
PDF successfully extracted, all vendors listed		■	Complete	40+ vendors

Note: BIA and Chamber directories are JavaScript-based dynamic pages. Firecrawl extracted the page structure and confirmed directory existence, but individual business listings require manual extraction or specialized JavaScript rendering tools.

BLOCKERS & DEPENDENCIES

Blocker 1: JavaScript-Based Directories ■ RESOLVED (Partial)

- **Issue:** BIA and Chamber member directories are JavaScript-based and require browser rendering
- **Impact:** Cannot extract individual business listings automatically
- **Solution:** Directory URLs identified, structure confirmed. Manual extraction required or use browser automation tools
- **Status:** URLs found, ready for manual extraction

Blocker 2: Food Truck Listings ■■ PARTIAL

- **Issue:** Perplexity did not return specific food truck listings
- **Impact:** No food truck leads from Perplexity queries
- **Solution:** Use alternative sources:
- Street Food App: <https://streetfoodapp.com/haltonhills>
- Roaming Hunger: <https://roaminghunger.com/food-trucks/ontario-canada/3/>
- Facebook groups: "Halton Food Trucks", "Burlington Food Trucks"
- **Status:** Alternative sources identified, research needed

Blocker 3: Contact Information ■ IN PROGRESS

- **Issue:** Many leads have partial information (missing emails, phone numbers)
- **Impact:** Cannot proceed with outreach until contact info is complete
- **Solution:** Manual research using:
- Business websites
- Google Business listings
- Yelp, Yellow Pages
- Social media profiles
- **Status:** 102+ leads identified, ~60 have partial info, need completion

ALTERNATIVE EXECUTION PLAN

For BIA/Chamber Directories

Option 1: Manual Extraction (Recommended)

1. Visit each BIA/Chamber website
2. Navigate to member directory
3. Filter by relevant categories (retail, food, services, fitness, wellness)
4. Manually extract business names and basic info
5. Research contact information for each business

Option 2: Browser Automation

1. Use browser automation tools (Selenium, Puppeteer)
2. Render JavaScript-based directories
3. Extract business listings programmatically
4. Export to CSV/spreadsheet

For Food Trucks

Step 1: Directory Searches

1. Visit Street Food App: <https://streetfoodapp.com/haltonhills>
2. Visit Roaming Hunger: <https://roaminghunger.com/food-trucks/ontario-canada/3/>
3. Extract food truck listings

Step 2: Social Media Research

1. Search Facebook groups: "Halton Food Trucks", "Burlington Food Trucks"
2. Check Instagram hashtags: #haltonfoodtrucks, #burlingtonfoodtrucks
3. Extract business names and contact info

Step 3: Contact Market Organizers

1. Contact Halton Region for food vendor information
2. Contact Burlington Food Truck Festival organizers
3. Request vendor contact lists
