

Swag Bag Sponsorship — Bronte Harbour Classic 5K

Father's Day, June 21, 2026 | Bronte Harbour Park

Every registered participant in the Bronte Harbour Classic receives a race swag bag. We're expecting 800+ runners. Swag bag sponsorship puts your business directly into the hands of every single one of them.

Cost: \$250

What You Get

- Your materials in 800+ participant bags
- Your business listed as a Swag Bag Sponsor on the event website and race day program
- Social media recognition on event channels

At \$250 for 800+ impressions, it works out to around \$0.31 per person — with a physical item that goes home with them rather than getting scrolled past.

What to Include

Whatever you want. Coupons, product samples, a business card with an offer on it, a QR code for something worth clicking — whatever makes sense for your business. The only ask is that it's something of actual value rather than just a plain flyer, and that it's family-appropriate.

Most businesses go with a discount offer or a free trial of some kind. Something that gives a first-time customer a reason to walk in the door.

You provide 850 items (800 bags plus a small buffer) and deliver them to us by the deadline we'll confirm when you sign up.

Who's Receiving These Bags

The race draws active Oakville families — health-conscious, local, and in a good mood on Father's Day morning. Coffee shops, fitness studios, restaurants, and wellness businesses have done well at similar events with this kind of offer.

How to Sign Up

Email greg@tapegeeks.com with your business name and what you're planning to include. No formal application — first come, first served. We'll send payment details and the materials delivery deadline.
